Remove HappyCast

Qumi Q3 Plus

The Qumi Q3 Plus has a brand new application that will more efficiently allow for wireless mirroring of connected personal computers, smartphones and tablets (iOS/MacOS/Windows/Android operating systems) to the Qumi Q3 Plus without requiring any physical cables. Two easy steps to complete:
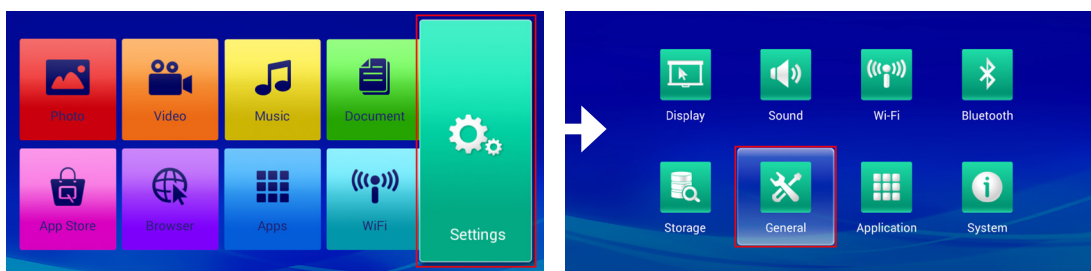

1. Uninstall HappyCast app
2. Install the new Vivitek AirReceiver app

Before you begin, ensure that the Qumi Q3 Plus is connected to a wireless network. Select WiFi on the Home Screen to connect to an access point.
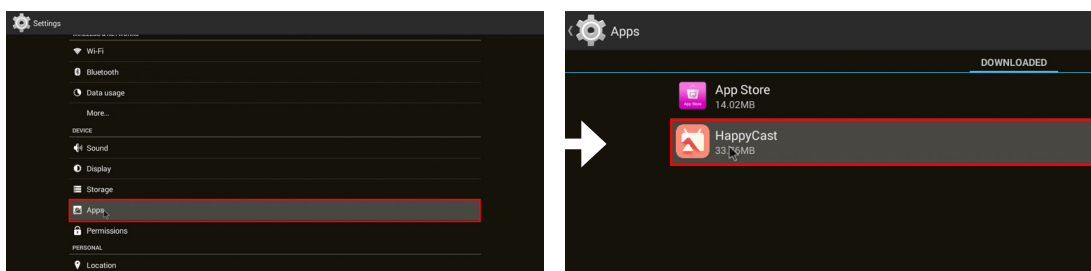

Step 1.1
To remove the HappyCast app, go to the Home Screen, click on 'Setting's and then 'General'.

Step 1.2
Choose 'Apps' and then click on 'HappyCast'.

Step 1.3
Choose 'Uninstall' and then click 'OK' to complete the removal process.

Install Vivitek AirReceiver   Qumi Q3 Plus

**TIP!** *You can connect a mouse and keyboard to the Qumi for easy input!*

Step 2.1
Go to the Home Screen, click 'App Store's and then 'Search'.

Step 2.2
Type in 'Vivitek AirReceiver' and click on the App icon.

Step 2.3
Click on 'Install' on the top left, then again on the pop-up menu.

Done!
Click 'OK' to complete the installation process.

Vivitek AirReceiver has now been successfully installed!

For additional usage instruction, please refer to the Q3 Plus's User Manual.
